Om Vajrasattva, your sacred promise having to be guarded,
Vajrasattva, attend to me, take me into your care;
Stay firm with me
Be joy for me
Be abundance for me
Be passionate in your love for me
Enable me to work all extraordinary deeds, and
Make my mind radiant
With each and every virtuous action
hūṃ—source of divine life
ha ha ha ha—the four immeasurables, the four forms of ecstasy, the four empowerments, the four
kāyas
hoḥ—sacred laughter!—the five facets of primordial consciousness altogether
Blessed One, Vajra of All Who Have Gone Thus,
Please never leave me.
Be the indestructible and immutable Vajra,
The Great Being of the Promise
āḥ—Indivisible
